Join the team – we are stronger together

Forskerforbundet – The Norwegian Association of Researchers (NAR) is Norway's largest trade union and special interest organisation for employees in research, higher education and dissemination of knowledge.

Do you care about quality in higher education, access to student loans and student democracy? Join Forskerforbundet Student!

Forskerforbundet Student is the association for all student members of Forskerforbundet. Our members are students at universities and academies across Norway.

You do not need to be a researcher to join the association. If you are a student who wants to be a part of a union that works for your needs and interests, then you can join us!

As a student, you only pay a lump sum of 250 kr once for your membership - there are no yearly or monthly fees!

Why join us?

- We fight to better your rights as a student and your future working conditions.
- We offer great deals on insurance and banking services.
- We offer various courses, conferences, and seminars for members, free of charge.
- We offer free insurance included in the membership (accident insurance, theft insurance, identity theft insurance).
- You can ask for advice from the union's employees regarding salaries and working conditions, for instance new employment contracts.
